FIELD CHAMPION DOGS FIELD CHAMPION BITCHES

For those dogs and bitches who have earned an AKC or ASFA Field Championship.

NOTE: Dogs defeated in these classes may not compete for Best of Breed even if they were additionally entered in the Best of Breed class. (No championship points are awarded for these classes.)

BEST OF BREED COMPETITION

The following categories of dogs may be entered and shown in Best of Breed Competition: dogs that are Champions of Record and dogs according to their owners' records have completed the requirements for a Championship but whose Championships are unconfirmed. The showing of dogs whose Championships are unconfirmed is limited to a period of 90 days from the date of the show where a dog completed the requirements for a Championship according to the owners' records.

Veterans Exhibition: (13 year old and over) Dogs must be AKC registered. Class will follow Veteran's Classes, but dogs entered in this class are not eligible for BOB competition. Dog may be presented for examination at owner's discretion. Entry should be accompanied by a 3x5-card description of the dog's lifetime achievements to be read in ring by the steward.

Non-Regular Classes (Involving multiple dog entries)

STUD DOG CLASS: For Stud Dogs and a minimum of two, and no more than four of their get. Stud Dogs must be entered in the Stud Dog Class and must be shown in the ring with their Get. The owner of the Stud Dog need not necessarily be owner of the Get. While the merits of the Stud Dog are not to be considered in the placement of the entry, the Stud Dog must be examined to determine if it has a condition that would require its disqualification or excusal under the Dog Show Rules, AKC policy, or the standard for its breed. Get must be entered in a regular class, Best of Breed competition, or some other non-regular class.

BROOD BITCH CLASS: Same as Stud Dog Class, except for the following two changes: Substitute "Brood Bitch" for "Stud Dog," and substitute "Produce" for "Get."

BRACE CLASS: Two dogs that are similar in appearance, performing in unison, and presented by a maximum of two handlers. Both dogs competing in brace competition must have at least one common owner. The Dogs comprising a Brace MUST be named at the time of entry. In making entries for "Brace Class Only" full particulars MUST be given for each dog on individual entry forms. An entry form for a dog entered in a Regular Class or for "Best of Breed Competition" and entered as part of a Brace MUST be marked accordingly in the space provided for Additional Classes, "Brace

Class.” If more than one Brace is entered by same owner, dogs comprising EACH BRACE must be designated “Brace No. 1,” Brace No. 2,” etc.

Team Class: Same as Brace Class, except for the following change: Substitute Two dogs for Four dogs.

NOTE: As the judge’s decision in the Stud Dog, Brood Bitch, Brace or Team Class is based on the merits of more than one dog/bitch, no one of the dogs/bitches making up the entry judged first in these classes will be eligible to compete for Best of Breed by virtue of having won this class.

Futurity prize money will be calculated on the total of nomination fees received. Forty percent (40%) of the total prize money will be awarded to Best in Futurity and Reserve in Futurity on a two-thirds (2/3) to one third (1/3) ratio. The remaining sixty percent (60%) will be divided into a stake for each class based on the number of puppies actually entered in each class. A sum per dog shall be determined by dividing 60% of the total nomination fee received by the total number of entrants. Class stake shall be determined by multiplying the sum per dog by the number of dogs entered in the class. The stake for each class will then be divided as follows:

Four (4) or more entries:	1st – 40%	2nd – 30%	3rd – 20%	4th – 10%
Three (3) entries:	1st – 50%	2nd – 30%	3rd – 20%	
Two (2) entries:	1st – 60%	2nd – 40%

The Second Place winner to Best in Maturity will then return to the ring to compete for Reserve Best in Maturity.

Basenji DNA Blood Draw Clinic - Free! A Health Service Event

Save time and money by submitting your Basenjis' DNA to the Canine Phenome Project (<http://www.caninephenome.org>) right at the EBC Specialty. A registered veterinarian or certified vet tech will draw blood on-site and ship it to CPP at no cost to you — **a \$50 to \$100 savings!**

With your dogs' DNA samples on file, they'll be readily available for genetic testing for diseases and disorders that affect Basenjis, (such as HA and later for Fanconi, PRA or others), which will one day be offered through the CPP.

Through the Canine Phenome Project, a diverse DNA bank will be collected to help scientists develop tests for genetic traits and diseases – your donation may one day be the missing link!

There are some steps to take beforehand, so watch for more details on the EBC website (<http://www.evergreenbasenjiclub.org>), or contact Brenda Phillips for more information: 425-235-1557, CiarasMom@yahoo.com
