## **NATIONAL SPECIALTY SHOW HOTEL RULES**

---

The following rules have been established for the good of all exhibitors concerned.

1. Plastic sheeting to be placed under every crate in your hotel rooms. This will keep carpets clean and dry. Plastic sheeting for each crate will be made available upon check in.
2. DOGS MUST BE CRATED WHEN THE OWNER/HANDLER IS OUT OF THE ROOM!! NO EXCEPTIONS.
3. Dogs must be kept on a leash at all times while in the hotel or on the hotel grounds. Rooms must be kept clean of dog debris. NO DOGS ALLOWED IN LOBBY AREA.
4. Dogs should be exercised in designated areas on the hotel premises. EVERY DOG OWNER is expected to pick up after his/her own dog(s) and dispose of the waste in nearby trashcans.
5. NO DOG MAY BE BATHED IN THE HOTEL.
6. Rooms will be inspected **daily** by members of the hotel staff and observed violations or damages will be reported to the hotel management and/or the Investigating Committee. Do not Disturb signs will not be honored for the entire day by the hotel staff.
7. The Investigating Committee, working with a fair and equitable system, is in charge of investigating complaints.
8. Each dog owner/registrant is expected to cooperate with the Investigating Committee, hopefully settling damage claims on the spot, or must be willing to furnish information such as insurance policy numbers and other pertinent information required.
9. Should the hotel, for cause, deem it necessary to cancel room privileges, the registrant agrees to forego legal action against the AWC and it's committees, the host club, and or the hotel. This is a condition of entry to the National Specialty.
10. As an exhibitor, be aware that violations may also be referred to the Bench Show Committee if written charges are preferred. If the Bench Show Committee upholds such charges, it may lead to suspension from future show privileges. Charges may also be filed with the AWC, which may lead to expulsion from the Club unless fair and equitable claims are satisfied.
11. Exercise pens will be allowed only in designated areas.
12. If you are leaving the hotel property and are leaving dogs crated in your room, please arrange with another exhibitor who is remaining at the show site to be responsible for your dogs during your absence in case of a problem or emergency. When leaving, provide the front desk with the name and room number (or which RV) where the person who is responsible for your dogs during your absence can be contacted. (Leaving your cell phone number is advisable)

When moving into your hotel room, check it carefully. If you find that there are problems or damage from a prior guest, call the front desk. This could save you any problems should this damage have gone undetected before you check in.

**Important Reminders:** It is **very important** that we all do our best to maintain cleanliness with our dogs at our hotel. There will be designated areas for exercising your dog(s). Don't wait too long to get them out. Go to the shortest route; take baggies with you in case of an accident. Do not walk away from your dog's mess. *Demand* others to clean up after their dogs. Please report someone who is not observing the rules. You may help us in the future to get another hotel! **Bench Show Committee Meeting and Hearing** will be called on anyone who abuses our hotel. The AKC will back us if we have a problem. Inform any of the following people: Cindy Scott, Rhonda Gifford or Connie Boulton if you notice a problem. Please remember to use the plastic sheeting under your crates. Bedspreads will be removed from rooms where dogs are to be kept. **Please leave all other pets at home as they will not be allowed on hotel property – yes that includes being kept in your vehicle. Thank you!**

**NOTE: PLEASE BRING A SHEET FROM HOME TO COVER YOUR BED!!**

### **A SPECIAL PRESENTATION AT THE 2010 AWC NATIONAL SPECIALTY**

At the 2009 National Specialty in Atlanta, Bo Bengston's PowerPoint presentation "**100 YEARS-100 WHIPPETS**" attracted so much attention that he has agreed to present it again at this year's national. It was originally prepared for the 2008 Whippet World Conference in Sweden and was considered one of the highlights there. It is based on Bo's older slide shows but has been considerably updated to illustrate how the Whippet has changed (improved?) from its early days at the turn of the 19<sup>th</sup> Century to the dog we know today. The presentation features both famous and not-so-famous dogs from England, USA and many other countries and included some historical illustrations which have never been featured anywhere else. It has been scheduled to be after breed judging on Friday, April 23 before the Top Twenty Competition. This is something you do not want to miss!
